

Carloway v Lochdar Saints, Gordon Craigie Testimonial
8th October 2011

A message from Gordon Craigie:

"Just want to thank everyone who organised, participated in and came along to my testimonial. The game itself had everything - me giving away a penalty then saving the resulting penalty, decent saves, a clean sheet and during the last 20 minutes I went outfield and managed to score a goal! Lost for words at the presentation - received money, a lovely wee plaque and a stunning canvas print of myself! Since I was a wee boy of around 5 I went to most games with my dad who was the manager then and from that age onwards all I ever wanted was to play for Carloway. My dream came true in 1991 and I'm still living the dream! Love Carloway, love the fans - best in the world!"
