

Farewell to Archie MacDonald

Administrator, 23 June 2018 22:46

The Club bid farewell to Archie MacDonald, whose work commitments mean he is returning to his native South Uist. Archie has been an integral part of the Carloway squad since arriving in 2010. Whilst originally a striker, he underlined his quality and versatility by featuring at virtually every outfield position for the team. Archie was presented with a framed photo as a token of appreciation. We all wish Archie the very best, and hopefully we will see him back in blue one day.
