

Jordan Macleod

Administrator, 2 January 2018 17:48

Everyone at Carloway Football Club would like to express their condolences to the family and friends of Jordan Macleod following his sad passing yesterday. Jordan made a massive impact in his time with Carloway and a big contribution towards the club's league title success. His personality, commitment and ability shone through and players, management and fans all took the wee man to heart. The reaction of the players and crowd when he scored his first goal for the club up in Ness said everything about how we felt about him. Rest in peace wee Jordy x
